

Cedar Hill Senior Mens 2018 Interclub - Information

Greetings Gentlemen, please find attached your assignments for the season 2018.

Let me know as soon as possible if any assignment does not work for you.

Please **do not** make any changes without checking with me.

The format is net match play with two two balls and one four ball in each group for a total of 9 points available.

Dress appropriately.

The first named player in each group will, please, assume the role as Captain for the day.

For home games, lunch is at noon. If I am available, I will meet you there with the score cards. If I am not available, please set up three foursomes according to current handicaps (the visiting team captain will provide you with their factors and you can check out their course handicaps from the info to the left of the computer downstairs. **Seniors play off the white tee boxes.**

Captain, please email the results of the match to me at mickgoodger@gmail.com and to the zone 5 representative at seniors@bcgzone5.org. Keep the score cards and I will pick up at a later date.

For away games, lunch is at noon. Organise your six players according to their handicap factors and work with the home captains to set up the foursomes. Please email me with the result.

Good luck and enjoy yourselves.

Mick.
