**MATCH PLAY FORMAT**

**FRIENDLY MATCH PLAY**

PLAY: MATCH PLAY rules. **NET** scores only are used to decide who wins the hole.  
**Ladies play from Red tees. Men play from Blue tees.**  
You don't have to walk in after your match is decided...finish the game if you want to.

SCORING: **One scorecard per pair. Decide who will keep score. Both sign card at the end. (The other can keep an unofficial card as a check)**

Overall this is a TEAM game, but individual prizes are up for grabs.

\*\*\*\*\* **When finished indicate the winner and score on FRONT of scorecard Eg JONES 3&2**

HDCPS: Higher handicap gets strokes off the lower handicap.  
*(example: Lowest ranked player is a 15 handicap; Opponent is a 17 handicap and so gets the difference - 2 strokes - to be taken on the two highest handicap holes.)*

DISPUTES: When you encounter a rules situation, you **must** resolve it there and then. Failure to come to an agreement will result in the other two **PLAYERS** in your group making the decision. The status of the match should always be confirmed before making the next stroke.  
**Honesty and fair play must at all times be the measure to which we all play.**

NO SHOWS: If an opponent fails to show, the committee will try to find a spare so the match can happen. If an alternative match cannot be arranged, the player in attendance wins the match.

TIES If an individual match is tied after the completion of the round, it will remain as a **TIE**.
