

Senior mens' update: August 13, 2018

Congratulations to the senior mens interclub team who completed the schedule in the middle of the pack this year (see bcgazine5.org for details), with 39 points. We always had a full complement of players...many thanks to those who occasionally filled in for players who suddenly found themselves in Kamloops!

Now would be a good time to let me have any feedback as I will indubitably forget stuff for next year...food service? Team uniforms? Etc... How can we make it better?
