Rules: Men play from Blue tees; Ladies play from Red tees.
RCGA Stroke-play Rules apply.
6 inch improvement (lift, clean, place) tee through green, no closer to the hole
You are allowed only two clubs: your putter and one other club (your choice).

The Game: Using only the two clubs, play your own game until you reach your **Drop Dead** point. Your *Drop Dead* point is your individual handicap added to the course par (67).
eg: if your handicap is 22, your drop dead point is 89. (67 + 22 = 89)
The winners are the male and female golfers who go the farthest before reaching their *Drop Dead* points.

Note: If you hole out on #18 and still have strokes left...keep going!
Back to #1 and continue until you reach your *Drop Dead* point.
And then ask yourself...why would you bother carrying 14 clubs????

Scoring: One scorecard per player – special scorecards to be picked up at Pro Shop.
When you reach your *Drop Dead* point, you must stop playing.
Record where you “died” on the back of your scorecard.

Place your Tombstone marker in the ground to show how far you made it.
(You can pick up your marker as you go through #10.)

Scorecards will be collected in the Golfers' Lounge.
