**Entry fee:** \$10 per person. Cash or cheque, to be collected before you tee off.

**Teams:** 4-person mixed-gender teams, determined by the Tournament Chair. Teams will be put together with consideration of handicap-balance. Each team will be give a specially designed dice, with its six sides marked with **1, 2, 3, 4, X and ☺** (happy face)

**How to Play:** All players tee off. One player tosses the dice to determine whose ball will be used:

- 1, 2, 3 and 4 on the dice correspond to Players' names on the scorecard;
- Happy face ☺ means use the **best** of the four balls;
- X means use the **worst** of the four balls (be honest!).

All 4 players then hit from that location, good bad or ugly!

**Par 3 holes** – roll the dice only once.

**Par 4 holes** – roll the dice twice: after tee shot and again after 2<sup>nd</sup> shot.

**Par 5 hole** – roll the dice three times: after the tee shot, and after 2<sup>nd</sup> & 3<sup>rd</sup> shots.

After you've rolled the dice the required number of times for that hole, the team decides which ball to use on subsequent shots, like a regular scramble. Continue until one ball is holed out. Record your score.

**Penalties:** NO penalty strokes are counted. So...if the selected ball is OB or in a hazard or in the bush, proceed to the point where the ball went out, drop a ball near the spot where it went out, no closer to the hole, making allowance for stance & swing.

**General:** Roll the dice AFTER all players have hit their shot. Take turns rolling the dice. Lift, clean and place is in effect tee through green. Any team that has 3 or 5 players will receive a different kind of dice.

**Handicaps:** Handicaps are not used in this format. The dice is your handicap.

**Ties:** First place tie to be decided by a coin flip. All other ties to be shared equally.

### **SKILLS CONTESTS**
