As our funds are down and more money has to go back to the calub I have use left over cards to get these prizes to where they are. Wish everyone could win, but that is not possible. Hope everyone that entered had fun, and remember

PACE OF PLAY IS VERY IMPORTANT, I understand that some do not think this is true, but a two hole gap is not a good thing. Everyone suffers with the slow play so please be considerate and keep up to the group ahead.

I also wanted to mention, the only Member that I was told about to remember this year, GEORGE MUSSELWHITE, George passed February 2, and is missed by all that knew him.
We are so happy to have Grace joining in on helping with the tournaments. And of course. Liz who stepped up and volunteered to go last so she could do the registration..

The next tournament notice has come out, HIS and HERS on June 25, Sunday..Always best if you find a partner, if not then we will do our best to match you up..
