I had to do some wrangling to get these awards, drawing from previous tournaments. Sorry that I couldn't pay everyone that showed up..thanks to each and every one of you that came out.

Notice is out soon about the Tombstone tournament. we are hoping for a very large field to finish off the year. Date is Sunday Oct 29...teams are way more fun, but singles accepted and will be place in a group. Thanks again, see you around the course. Heather

PS It was great to see so many hang around for a drink and social time at the Derby....
