

CEDAR HILL LADIES'2023 INTERCLUB REPORT

Wendy is to be commended for getting the ball rolling at both the Zone 5 AGM and then again at the Spring Captains Meeting. The result was she negotiated Interclubs with 7 clubs with various arrangements of how the finances would work for these.

She stipulated the following:

To play in Interclub you will have to pay to golf away OR pay for them here.

You have to have a handicap

You have to have 3 Pin Rounds from last year

You must be available for both dates

Although there were a few exceptions to these points, it is strongly suggested that we keep these in place for next year.

CLUB	HOME	AWAY	POINTS	ARRANGEMENT

SALT SPRING ISL	SEPT. 5TH	AUG. 24TH	CH 53.5 SSI 36.5	WE PAY FOR SSI AT CH

In all but one match the Cedar Hill ladies won their games at home. We struggled with our away games but that may be impart due to players new to Match play and new to some of the courses. We hope to improve on our results next year.

Special arrangements were made for a reciprocal lunch with Royal Colwood and we hope to continue this next year. They are very keen to do this.

All the Clubs have expressed an interest in continuing Interclub with us next year and we may be looking to add others. As our membership grows we hope to get some of our new players participating.

Becki Ross has agreed to being mentored to help organize matches and we look forward to her positive enthusiasm.
